

God, Guys and Gears Participant Contract

I _____ will be present and ready to learn and work at 4:15 P.M. Monday, Tuesday and Thursdays. I will NOT be late. I will maintain grades at school acceptable to my parents. I will listen and follow instructions. I UNDERSTAND mine and my teammate's safety and welfare depend on my personal ability to listen and follow instructions. I will be respectful or agree to be taught and learn respect. I understand I will be with men, not babysitters. I will make personal appointments on Wednesdays or Fridays. Men who take care of business show up for work no matter what, if you are sick we will provide you a mask, if you are hurt we will get you a chair, a headache with your eyes bugging out of your head, blood running out of your ears, the point is this-- Men show up on time for responsibility and I agree. I agree to be a responsible driver, a witness for Christ or hear the word. No drugs without a doctor's prescription. If you are mature enough to abide by these items we will have a BLAST worshipping, loving, laughing, crying and learning.

To Moms, Dads and Guardians and Participants.

We must have the following:

1. Health insurance card
2. Medical issues in writing
3. All contact phone numbers, email and address for you and your son
4. Most of all your support and prayers for Gods will

There is no "if" but only "when" my son gets hurt, scratched, cut, broken bones, bumps, burns, blisters or the thousand other things that can cause harm to my son I agree to the following: I give my consent to Bart Bagsby, God Guys and Gears to seek immediate medical attention at his discretion on my behalf. I understand that Bart Bagsby, God Guys and Gears shall not in any circumstance be legally, morally or financially responsible for the health, welfare or safety of my son _____. This program will be recorded and may be broadcast for the benefit of God Guys and Gears, Three G's. I understand and consent.

The goal for this program is to introduce young men to as many different skills and trades as possible and demonstrate how God plays a daily role in life. Understanding Character, Integrity and Responsibility as it applies to themselves, family, education, future family and most importantly how a personal intimate relationship with Jesus is their most valuable tool in their tool box, how and why to rely on that tool daily. We will use local successful tradesmen, small business owners and executive's testimony to drive this point. Each day will consist of 30 minutes in the word and prayer and 3 hours in the shop. There will be opportunities for weekend field trips to car shows and other Fabrication shops. The program is six weeks and will run perpetually offering the opportunity for leadership roles for those young men who are ready to lead if they choose to continue to the next cycle.

Parents please do not use this program as a disciplinary tool for your son. This program will be rigorous with self-discipline at the top of the priority list. If help is needed at home in this area simply let me know.

We are building knowledgeable, Godly young men who understand choice.

I agree to all the above.
